HM336 Brand New Intelligent Mobile Terminal

Product Specification

OS	Android 14
CPU	octa-core processor 2.4GHz
Ram/Storage	8GB+128GB
Wi-fi	2.4GHz/5.0GHz
Bluetooth	BT5.0
Display	10.95″(2000*1200)
Touch Screen	G+G capacitive screen
Speaker	4*1W
I/O Ports	1*USB Type-C，support Pogopin
Camera	Front camera 500Wpx Rear camera1300Wpx
Battery Capacity	7500mAh
Power adapter	5V~2A USB Type-C
Colour	Dark Grey
Dimensions/mm	257.4 x162.7 x 7.4
Usage Environment	Optimal operating temperature range：-10~40℃；Optimal working humidity range：0%~85% Optimal storage temperature range：-20~60℃；Optimal storage humidity range：0%~85%
Safety Certification	CCC / SRRC
Weight	474g
Optional Peripherals	Metal stand/Pad cover/pressure-sensitive pen

Product Dimensions

Note: 1. Actual usable capacity may be reduced due to various factors and may vary; the system also uses a portion of the memory.
2. The listed specifications, parameters, and appearance are based on actual products released on the market; changes may occur without further notice.
